

# PROGRAMMING 2017

Dates and Times

## We grow People, Community and Business!

With networking, peer support, continuing education and mentorship, Station 2 Innovation is a resource to develop the entrepreneur community in our region to help businesses start and grow. On Tuesdays at Station 2 Innovation it is all about education. Whether you are currently running a business or just thinking of starting one, you don't want to miss the great speakers who join us each week to share their stories and what they have learned. Sessions alternate between our 11:30AM brown bag lunch and 5:30PM Network & Learn session with refreshments provided by our generous sponsor White Sands Realty. On "Souper Tuesday" enjoy today's soup special at no charge with donations accepted for our local non-profit Turning Points serving families and veterans. Every other month One Blood joins us as we give "life" back to our community.

### Want Weekly reminders of Station 2 Innovation Events?

Join us on Meetup at: <https://www.meetup.com/Entrepreneurs-Startups/>

**April 29, Saturday - DaVinci's Faire and BarCamp, Register for Free at: <http://bcsrq.com/>**

### Speakers, Sponsors, and Volunteers Make DaVinci's Possible – Be Part of the Solution!

DaVinci's Faire and BarCamp. A day that our community's coolest innovators can showcase what they are working on. The day is filled with displays and hands on activities by makers, innovators, robotic enthusiasts, engineers, designers and much more. You'll hear talks from scientists, engineers, authors, artists, students and others. Microsoft fills the café with Kinect gaming opportunities, and entrepreneurs work with SCORE Manasota mentors to hone their 90 second Quick Pitch to close out the day. There is something for everyone at this multi-generational learning-rich event. Saturday April 29th, 2017 at Manatee Technical College. Attendance is FREE with pre-registration here: <https://davincisfaireandbarcamp2017.eventbrite.com/>
