

PROGRAMMING 2017

Dates and Times

We grow People, Community and Business!

With networking, peer support, continuing education and mentorship, Station 2 Innovation is a resource to develop the entrepreneur community in our region to help businesses start and grow. On Tuesdays at Station 2 Innovation it is all about education. Whether you are currently running a business or just thinking of starting one, you don't want to miss the great speakers who join us each week to share their stories and what they have learned. Sessions alternate between our 11:30AM brown bag lunch and 5:30PM Network & Learn session with refreshments provided by our generous sponsor White Sands Realty. On "Souper Tuesday" enjoy today's soup special at no charge with donations accepted for our local non-profit Turning Points serving families and veterans.

Want Weekly reminders of Station 2 Innovation Events?

Join us on Meetup at: <https://www.meetup.com/Entrepreneurs-Startups/>
